**CAMP INFO:** Our Summer Camp Director is **Chaney Reifsteck**. She is the 1st grade teacher here at SCA and has been running summer camp for the past 9 years. Summer Camp will be filled with fun themes, games, crafts, science experiments, food, and field trips each week! We will provide a safe environment where the kids are encouraged to try new things and make new friends. At SCA our top priorities are to teach the importance of kindness, incorporate God into our daily tasks, and have FUN!

- Your child will be placed in a summer camp group according to their age. There will be 5 groups that we will post before camp begins. Each group will have set teachers, a set room and Facebook group where they will post their field trips and activities for each week.
- Only the oldest group will go to the Urbana pool; more details to come as we get into summer.
- We will do waterplay every day from 1:00-2:45 unless it is storming. It includes small pools, waterslides, slip-n-slides, sprinklers, water guns, water balloons and more. Please make sure they have their swim items and sunscreen EVERYDAY. We will wash suits on Wednesdays. On FRIDAYS, the swimsuits and towels will be sent home to be washed.
