Camp Info

Our summer camp director is Chaney Reifsteck. She is the SCA executive director and has been running summer camp for the past 10 years. Summer camp will be filled with fun themes, games, crafts, science experiments, food, and field trips each week! We will provide a safe environment where the kids are encouraged to try new things and meet new friends. At SCA our top priorities are to teach the importance of kindness, incorporate God into our daily tasks, and have FUN!

- Your child will be placed in a summer camp group according to their age. There will be 7 groups which we will announce before camp begins. Each group will have set teachers, a set room, and a Facebook group where staff will post field trip and activity information for each week. Mrs. R will be overseeing all of the rooms and activities.
- Only 3rd grade and older will be going to the Urbana Crystal Lake pool in the afternoons.
- For 2nd grade and younger, we will do water play every day from 1:00-2:45pm as weather permits. This includes small pools, waterslides, slip-n-slides, sprinklers, water guns, water balloons and more. Please make sure they have their swim items and sunscreen EVERYDAY.
- On FRIDAYS, swimsuits and towels will be sent home to be washed and are to be brought back the following week.
